## Retirement Plans

### Avoid Common Pitfalls of Retirement Plan Compliance

**Your company's** retirement plan may be just as vulnerable to an IRS audit as the rest of your business. The consequences of having an audit that reveals serious problems in your plan's operation can be severe, including revocation of its tax-exempt status. But the IRS says it wants to help you sail through an audit without any issues, if you have to undergo the process. Here are some tips.

## Benefits Administration

### Protecting Your Company Against Liability from Confidential Data Leaks

**As organizations grow** in the digital age, their reliance on technology can be both an advantage and a disadvantage. The liability from the improper release of sensitive data is a huge potential problem for businesses. The more sensitive the information a company gathers, the more detrimental to the organization a data breach is, should it occur.

"We formerly had our employee benefit plan audit with one of the 'Big Four' national accounting firms, but knew that we were not getting the attention and service we needed. Making the switch to Gray, Gray & Gray was like night and day! We are getting the same degree of competence and experience, but with a much higher level of service. At much more reasonable fees, too!"
