## Gray, Gray & Gray, LLP's News

### President Trump's Proposed Tax Plan

On April 26th, the Trump administration released a one page memo entitled "2017 Tax Reform for Economic Growth and American Jobs" highlighting the goals for tax reform, including some of the largest individual and business tax cuts in American history, and the process the Trump administration will undergo for this proposed plan. How could this affect you? [Click here for a high-level overview of the President's proposals and some initial perspective on their projected impact.](#)

## Human Resources

### Genetic Nondiscrimination Law Affects Many Work Practices

**A law** is now in effect that provides protection against discrimination against employees based on genetic information. But what if your workplace has wellness programs or other benefits that involve employees divulging medical information? In order to comply with the *Genetic Information Nondiscrimination Act*, here are some steps that employers can take.
