**What if** a divorce threatens to tear your family business apart? It's bad enough when a marriage ends, but it's even worse when the former spouses both work for a family company. That usually means one or both will have to extricate themselves from the business -- for a price. This article gives you an idea of how the value of a business is determined when divorcing spouses disagree.

**Many employers** are wasting money on some of their benefit offerings. This was the conclusion of one study which looked at employer and employee views on benefits. In some cases, organizations are wasting money on inadequate benefits and benefits some employees don't want... while other employers aren't investing enough in what their staff members do want. What should you do about it? Keep reading to find out.
