BEYOND THE NUMBERS

January 2018

Issue No. 64

It takes more than numbers.

Gray, Gray & Gray is here to help you "Fuel Your Future" by going beyond accounting services. With over 70 years in the energy business, we go beyond the numbers by delivering insight, guidance and knowledge to our energy clients so they can achieve growth and profitability.

Marty Kirshner Takes the Lead in Energy

We are pleased to announce that Marty Kirshner, CPA, MSA, has taken the helm of our Energy Practice Group, which serves the accounting, tax, and business advisory needs of oilheat, propane, and petroleum distributors and retailers throughout the northeast U.S.

Marty is a familiar face to many in the energy industry. He has been an active member of the energy community for almost a decade, and is well suited to directing this continually growing practice area. Marty will continue and expand our focus on going "beyond the numbers" for our energy clients.

Gray, Gray & Gray has been working with energy companies since our founding in 1945, and has earned a reputation as one of the country's leading accounting firms in the industry, thanks to innovations such as our Annual Oil and Propane surveys, FuelTrack™ benchmarking reports, oil delivery calculator, margin calculator, and FuelExchange™ merger & acquisition service.

Sincerely,

Joe Ciccarello, CPA, MST

It Takes More Than Numbers.

"Gray, Gray & Gray has been Coan Oil's accounting firm since 1945. We were one of their first clients and the fact that we are still with them today says a great deal about the relationship between our companies. For [over] sixty-five years they have helped keep us on track, growing and profitable. Gray, Gray & Gray not only knows our business inside and out, they understand the oilheat industry and how to make the most of our opportunities. We have always relied on Gray, Gray & Gray to keep us on top of the many changes occurring in the accounting field as well as changes in the oil industry. Our relationship with Gray, Gray & Gray has strengthened from generation to generation, from my father who worked with the original Gray brothers to my own connection with the firm today. We count on them as more than just accountants, but as someone we can trust with everything from business strategy to financial planning. It's been a great partnership."

- Kevin Coan, Coan Oil, Inc.
