***We Invite You to Participate in Gray, Gray & Gray's  
Annual Energy Industry & Propane Industry Surveys Today***

As part of our commitment to bringing you key information for your success, this year marks our **28th annual Energy Industry survey** and our **3rd annual Propane Industry survey**!

This year, we are also excited to be working with *Oil & Energy Magazine* on the Energy Industry survey and in cooperation with *LP Gas Magazine* on the Propane Industry survey.

We invite you to take part in one or both of these important online surveys based on your business! Remember, your participation allows us to provide a "snapshot" of the energy and propane industries, which in turn helps to establish industry benchmarks and the standards by which company performance is measured. We thank you in advance for your support!

***Please complete this year's survey(s) with information from your company's April 1, 2018 - March 31, 2019 results.***

***Submission deadline: May 3, 2019***
