Family Business

Plan Ahead to Make Disability Benefits Tax-Free

Company-paid disability insurance provides protection in the event you suffer a disability or become so ill that you can't work. But the value of long-term disability insurance benefits can be eroded if you have to pay taxes on them. Here's an explanation of the rules, and a strategy your company may want to implement to transform taxable disability benefits into tax-free payments for yourself and other family members.

Management

Steps to Help Avert Sabotage by Former Employees

Firings or layoffs can open your company to some serious damage and violence from disgruntled former employees. You can try to ease the pay with severance packages, outplacement benefits and counseling, but these won't satisfy all distraught former employees. Click "Full Article" for seven critical precautions to take that can help you protect your business from harm.
