Retirement Plans

Detecting, Correcting and Avoiding Plan Errors

The IRS provides a list of 11 potential 401(k) plan errors. Has your company's plan made any of them? Ignoring these mistakes can lead to costly penalties and even disqualification of a plan's tax-favored status. The good news is you may be able to correct errors *before* the IRS comes calling.

“We formerly had our employee benefit plan audit with one of the ‘Big Four’ national accounting firms, but knew that we were not getting the attention and service we needed. Making the switch to Gray, Gray & Gray was like night and day! We are getting the same degree of competence and experience, but with a much higher level of service. At much more reasonable fees, too!”
