Employee Benefits

Vision Coverage: The Need Is Easy to See

If your company is looking for money-saving ways to cut back on benefits, you may want to focus *away* from cutting eye-care insurance coverage. Every penny you spend on vision care can add to safety, production and morale. It can also lower medical and worker's compensation costs. This article explains how this benefit can potentially save your business money in the long run.

Retirement Plans

Should Your 401(k) Plan Adopt An Auto-Enrollment Feature?

Many employers have 401(k) plans without a high percentage of staff members voluntarily participating. This means their employees are probably not saving enough for a comfortable retirement. Current tax rules make it easy for organizations to automatically enroll employees, which can also benefit executives and other higher-paid employees. Take a look at the rules.

"We formerly had our employee benefit plan audit with one of the 'Big Four' national accounting firms, but knew that we were not getting the attention and service we needed. Making the switch to Gray, Gray & Gray was like night and day! We are getting the same degree of competence and experience, but with a much higher level of service. At much more reasonable fees, too!"
