#### Tax Deadlines Reminder

The busy tax filing season is here! We want to help you stay on top of the 2014 filings and plan for 2015.

### Reminder: March 16, 2015 Deadline

Due to the normal corporate tax return deadline falling on a Sunday this year, the date has been pushed to Monday, March 16th instead of March 15th. Remember, the March 16th deadline applies to filing of corporate tax returns for the year 2014, or to filing a request for an automatic 6-month extension of time to file for corporations who use the calendar year as their tax year.

As always, if you have any questions, need help filing your taxes, or are wondering what you will need to file, please contact Gray, Gray & Gray's Tax Department.
