Timely Opportunities

Protect Your Intellectual Property from Theft

Billions of dollars are lost annually by U.S. companies to foreign and domestic competitors who deliberately steal intellectual property, according to the FBI. In one recent case, one engineer was convicted of downloading and stealing trade secrets on the job. Here are the details of the case, along with some best practices that can help your company prevent intellectual property theft.

Benefit Tax Issues

Long-Term Care Insurance Can Be a Tax-Free Perk

For tax purposes, long-term care insurance grows more attractive depending on who buys the policy. There's a big difference in the tax implications of a policy purchased by you as an individual and the same policy purchased by your family business. To find out how to maximize the tax benefits before buying, keep reading.
