Family Business

Daughters Step Up in Family Businesses

The days may be gone when parents bemoan the fact that they don't have sons interested or qualified to carry on the family business. More and more, daughters are stepping into the top spots, according to one study, and overall, they're doing a pretty impressive job. Click "Full Article" to find out how some family companies are faring under female leadership.

Penetrating the B2B Media

Getting exposure for your company's products and services in a business-to-business publication can provide more credibility than standard advertisements and marketing. Plus, the coverage doesn't cost anything. Click "Full Article" for details on how to successfully get your brand into trade magazines.

Human Resources

Genetic Nondiscrimination Law Affects Many Work Practices

A law is now in effect that provides protection against discrimination against employees based on genetic information. But what if your workplace has wellness programs or other benefits that involve employees divulging medical information? In order to comply with the *Genetic Information Nondiscrimination Act*, here are some steps that employers can take.
