Be Alert for these Federal Labor Law Enforcement Hot Buttons

Even if you run a tight ship with respect to federal labor laws, it's wise to stay current on what the government considers hot-button issues. Doing so can be helpful as you monitor your company's practices and policies -- looking for areas that could create problems and push some of the hot buttons. Here's the latest summary of where the government is turning its spotlight of enforcement.

Family Business

Survivors: Family Businesses That Last

It's an unfortunate fact that family businesses have a high rate of failure. Then again, some family-operated companies that began before the Revolutionary War are still alive and well. What makes some companies survive long after others shut their doors? Read the "Full Article" to find out which companies are among the oldest survivors, and what makes them keep ticking.
