Accounting for Obamacare Webinar is Tomorrow, April 4th!

Can you really afford to wait until the end of the year to start learning about and addressing the Obamacare changes? You don't have to wait...we've added an "Accounting for Obamacare" WEBINAR to our spring lineup of events. Be sure to join us to learn about the numerous requirements and their potential impact on your business, so you can avoid undue stress at the end of the year.

Accounting for Obamacare Webinar
Thursday, April 4, 2013 at 10:00am EDT

Obamacare carries numerous requirements for businesses with 50 or more full-time equivalent employees, ranging from required health care coverage, to additional reporting, to the decision to "pay or play" in 2014. Don't miss this free educational webinar. [Click here for more details and to register.](#)

Timely Opportunities

Will the Healthcare Law Increase Your Costs?

The sweeping *Affordable Care Act* has provisions that have already gone into effect, as well as some major changes that will take effect in 2014. What will the new law mean for your individual healthcare costs -- and for employers' costs? Take a look at what a new study is predicting will happen by 2017.

The high cost of health insurance caused one divorced spouse to ask a court to amend her decree to become legally separated instead. See how a state appeals court ruled.

Laws governing the payment of wages are inflexible. That's why, when the owner of one business didn't cash his paychecks -- possibly as a way to lend money to the company -- trouble developed after he died. Read the following case to see what can happen when wages in your business go unpaid, whatever the reason.
