### What Your Employees Should Know About Obamacare

By John W. Cashman, Jr., CPA, CFP  
*Gray, Gray & Gray, LLP*

There have been millions of words written about the Affordable Care Act - more commonly known as Obamacare - and how it will affect large and small employers, as well as the requirements being put in place for individual health care coverage. But little information has been made available about the critical intersection between employer and employee. *What should you be telling your employees about their healthcare coverage in light of the implementation of Obamacare?*

### Accounting for Bitcoin

Everyone's talking about the uses and abuses of "Bitcoin." But, so far, relatively few businesses and individuals actively participate in the virtual currency marketplace. Recently, the IRS issued guidance about reporting convertible virtual currency transactions. However, the guidance leaves many unanswered questions as this method of payment gains acceptance.
