Employee Benefits

Employers and Employees Benefit from Enhanced FSA Participation

Nobody wants to pay more taxes than necessary. Fortunately, one of the best ways to save money on taxes is with a Flexible Spending Account, which allows healthy breaks for employees and employers. And yet surprisingly, only a small percentage of employees take advantage of this deal. Find out what your company can do to increase participation and cut its payroll tax bill by reading the "Full Article."

Benefit Tax Issues

Tax-Wise Way to Pay Medical Costs

There's a relatively new option to pay for out-of-pocket health costs. It's called a Health Savings Account and it provides individuals and businesses a tax-advantaged vehicle to pay medical bills. And unlike flexible spending accounts which have a "use it or lose it" feature, you don't have to zero out the account every year. You can carry over any unused portion to the next year. Here are the details.

Retirement Plans

Generations X and Y are Not Prepared for Retirement, Study Claims

Retirement is not necessarily on the radar screen of younger Americans. They may be struggling to pay current bills and may not be in a position to sock away money for retirement. Time is a key factor in making the most of retirement contributions, so employers need to reach out to these workers to educate them on the need to set money aside while they have decades to let the money grow.
