## Timely Opportunities

### New Fraud Study: How Can Your Organization Prevent Losses?

When it comes to occupational fraud, many organizations adopt a mindset that "it-can't-happen-here." But the 2014 *Report to the Nations* reveals that fraud is a pervasive global epidemic. Proactive organizations take steps to reduce opportunities for employees to steal. Here are the results of the new study, along with ways you can help protect your business or not-for-profit organization.

## Family Business

### A Family Business Does Not Have to Be a Casualty of Divorce

What if a divorce threatens to tear your family business apart? It's bad enough when a marriage ends, but it's even worse when the former spouses both work for a family company. That usually means one or both will have to extricate themselves from the business -- for a price. This article gives you an idea of how the value of a business is determined when divorcing spouses disagree.
