VISIONS CONFERENCE
JUNE 14 & 15
DCU CENTER • WORCESTER, MA

Are you ready to learn how you could take your energy company to the next level? Then be sure to stop by our booth (#6) at the New England Fuel Institute Visions Conference 2016 this Tuesday and Wednesday.

We'll be handing out copies of **Gray, Gray & Gray's 2016 Energy Industry Survey Results** - the essential benchmarking tool for the industry. PLUS, if you have any questions about tax, accounting or business advisory services for your energy company, ask us! And also be sure to ask about our FuelExchange[™] merger and acquisition service specifically for energy companies.

At Gray, Gray & Gray, our team wants to help your energy business

succeed by building a lasting, mutually-beneficial relationship with you. This is what sets us apart from other firms.

We hope to see you at the Visions Conference 2016 so that we can get to know you and your business!
