2015 Midyear Tax Planning Letter

Midyear 2015 is upon us and, as usual, ongoing tax planning is proving critical this year. While Congress passed legislation last December that extended a number of expired tax provisions, many were extended only until December 31, 2014. What does this mean for 2015? Stay tuned as the details unfold.

One thing is certain: the tax landscape is complex. Developing effective tax strategies and ways to potentially minimize your taxes could take several months to implement. There's no time like the present to start your tax planning.

Think About Your Future Tax Bills

When are investors *not* disappointed after the value of their portfolios goes down? When they're thinking about converting their regular IRAs to Roth IRAs. When stocks are down, along with the value of your IRA, it's a good time to think about future tax savings. Here are the guidelines.
