Employee Benefits

Educate Employees About the True Cost of Health Care

Do staff members know how much your company pays for their health insurance? Most employees are shocked to learn the true cost of their benefits and are interested to learn how they can influence those costs by using insurance responsibly. Click "Full Article" to find out how to educate your employees about this important issue.

Benefit Tax Issues

Decrease the Chance of an IRS Audit

Reports indicate the IRS is conducting more audits involving executive compensation and fringe benefits. What exactly are auditors looking for? The IRS recently provided its examiners with guides spelling out how to uncover taxable fringe benefits which were not included in an executive's wages. Keep reading for information from these IRS internal audit guides about issues that could trigger an examination.

Retirement Plans

Workers Don't Take Advantage of Professional Advice

These days more people seem to understand that saving for retirement is critical to their future financial health. Yet although plenty of information is available, relatively few seek help to understand their retirement accounts. To learn more about why employees don't take advantage of the help you offer, continue reading.
