Conflicting Court Rulings Involving ACA Tax Subsidies in Some States

On the very same day, two federal courts took up an issue involving tax credits for health insurance premiums paid under the *Affordable Care Act* (ACA). The courts reached opposite conclusions, which creates uncertainty for qualified individuals in some states who are counting on the tax breaks to help pay for health insurance. This article describes the new court cases, as well as what they could mean for employers.

Spouses Are Guilty Until Proven Innocent

If you file a joint tax return, you need to be aware of your individual liability. Here's a rundown of how the law works and the "innocent spouse" relief that may be available if your spouse cheated on a tax return and the IRS is coming after you. We'll also explain the difference between an "innocent spouse" and an "injured spouse" and how it can affect tax refunds.
