loved ones, executors and other fiduciaries when you die. Unfortunately, many people's plans -- and most state laws -- haven't kept up with the times. In July, the Uniform Law Commission passed a model digital asset law that might help bring continuity to this complicated issue involving access to e-mail accounts, social media profiles, online photos archives and more. An employee's exercise of "free speech" at work can cause conflict and legal problems. Many employees believe they have an unfettered right to free speech, guaranteed by the U.S. Constitution. But as one court case illustrates, it simply isn't true. Click "Full Article" for some advice on what companies can do when one employee's free speech is offensive or damaging to others.
