Timely Opportunities

Retirement Planning: Foresee to Provide for the Future

Remember the Aesop's Fable about the ants and the grasshopper? While the ants actively stockpile food, the grasshopper parties the summer away and starves in winter. In terms of retirement savings, are you an ant or a grasshopper? A recent Federal Reserve survey found that many Americans aren't saving for retirement. Here are some planning tips, as well as some surprising statistics on U.S. household finances.

Benefit Tax Issues

Decrease the Chance of an IRS Audit

Reports indicate the IRS is conducting more audits involving executive compensation and fringe benefits. What exactly are auditors looking for? The IRS recently provided its examiners with guides spelling out how to uncover taxable fringe benefits which were not included in an executive's wages. Keep reading for information from these IRS internal audit guides about issues that could trigger an examination.

Retirement Plans

Defined Contribution Retirement Plans Versus Defined Pension Plans

What's the best retirement plan for your business? The answer depends on several factors, including the ages of owners and employees, the number of years to retirement, and more. This article explains some of the options available and how they can benefit you and your business from a tax-saving standpoint.
