Employee Benefits

Pick the Voluntary Benefits That Best Fit Your Workplace

The right voluntary benefits for your workplace, made available through the right vendor, can be an invaluable addition to your employee benefits package. Here are some trends affecting today's workforce, along with some steps your business can take to tailor the fringe benefits you provide to staff members.

Benefit Tax Issues

Audit Your Retirement Plan Before the Feds Do

Many companies are unaware their retirement plans have problems until they are audited by the IRS or investigated by the Department of Labor. However, by self-auditing your plan, you can identify and correct any problems before the federal government initiates an investigation. Continue reading for six areas which can get your company in trouble.

Retirement Plans

Creating Non-Qualified Executive Benefits Plans

If keeping your top talent is a concern, you may want to take a look at executive benefit plans which are non-qualified, therefore more flexible. These plans come with a minimum of paperwork and no filing requirements. However, there is also risk which qualified plans do not have. Continue reading to learn the upside and the downside of non-qualified executive benefit plans.
