Timely Opportunities

A Closer Look at Home Office Deductions

Working from home has its perks. Not only can you skip the commute, you also might be eligible to deduct home office expenses on your tax return. Beginning in 2013, there's a new simplified option but it has limitations. And as one recent U.S. Tax Court case illustrates, employees are held to a different standard than self-employed people. If you qualify for home office deductions, which expenses can you deduct without raising a red flag? This article explains.

Employee Benefits

Avoid Costly Mistakes with a Review of Plan Administration Basics

Nobody ever said managing employee benefits was easy. There are a lot of details to monitor to ensure your company is in compliance, especially as laws change. To give your plans a tune-up, take a look at this list of common errors that plan administrators make.

Benefits Administration

Compliance Challenges and Missteps Can Be Acute for Businesses

You're no doubt aware that the employee benefits package your company offers is key in the hiring and retention process. But because benefits can directly affect the current and future well-being of your workforce and their dependents, the regulations surrounding them are strict and compliance is critical. Read on for details to help your company tow the compliance line.

Benefit Tax Issues

Uncashed Payroll Checks: Handle With Care

Laws governing the payment of wages are inflexible. That's why, when the owner of one business didn't cash his paychecks -- possibly as a way to lend money to the company -- trouble developed after he died. Read the following case to see what can happen when wages in your business go unpaid, whatever the reason.
