10 Ways to Avoid Phishing

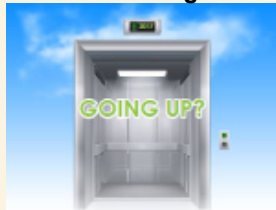

A growing issue beleaguering the technology world is "phishing," a tactic used by cybercriminals as they attempt to obtain financial data and other confidential information from unsuspecting individuals. Phishing uses "spoofed" emails, fake websites and deceptive phone calls to lure people to voluntarily hand over sensitive information. The ultimate goal is to steal money from the victim.

Business Tax

Consider a SIMPLE IRA as a Retirement Plan Option

Are you so busy running your business that you've neglected to set up a tax-advantaged retirement plan? There are several options depending on how large your business is, how much you want to contribute annually and whether you have employees. The SIMPLE IRA can be a good choice for businesses that generate a modest amount of income for their owners. Here are the basic rules, along with examples of who can benefit.
