The Return of Printed Social Security Statements

By Daniel C. Romano, CPA, PFS
Partner at Gray, Gray & Gray, LLP

Back in 2011, the federal government, in an effort to save money, stopped printing and mailing annual Social Security benefit estimate statements. Those paying into the program could still get their estimated benefits information online, but relatively few taxpayers registered. Last year Congress passed a bill requiring Social Security to resume the mailing of printed statements every five years for most (but not all) participants age 25 and older, and annually for those 60 and older. Answers to Your Questions About Wage Garnishment

Many creditors have turned to wage garnishments to recoup debts that mounted during the recession. In this article, we discuss a recent study on the prevalence of wage garnishment, as well as the convoluted, sometimes conflicting, federal and state laws that employers must follow when they garnish employee wages. We'll also tell you about some of the most (and least) debtor-friendly places to live in the United States.
