Timely Opportunities

What's Ahead? IMF Predicts Slow but Steady U.S. Comeback

A temporary government shutdown crushed consumer confidence in October. But the International Monetary Fund offers a glimmer of hope in its *World Economic Outlook*. Find out why the U.S. economy is expected to warm up in late 2013 and 2014 -- as well as what's holding us back. Also, see how the U.S. compares to other advanced and emerging countries, as well as some highlights from other recent economic reports.

Business Tax

Limit Liability and Cut Taxes With an LLC

There are several entity forms that can be used to operate your business. The ultimate decision depends on the particular circumstances and objective of your business. A limited liability company (LLC) may be the best choice because of the flexibility it offers. Here are the details about why this legal business entity is popular today, as well as the alternative

Personal Tax

What Does it Mean if the IRS Files a Lien?

By filing a *Notice of Federal Tax Lien*, the IRS establishes its interest in a delinquent taxpayer's property as a creditor. It is one of the most powerful tools the IRS has to enforce tax laws. But when can the tax agency take this step and what are the consequences? Click "Full Article" for the answers, as well as how an IRS lien compares with an IRS levy.
