What Tax Changes Can We Expect from President Trump?

The unexpected victory of Donald Trump in the 2016 Presidential election has experts scrambling to review his proposed changes to the federal tax laws. While nobody can predict with complete accuracy what adjustments Trump will attempt to make as President, or what Congress will agree to consider, a look at some of the ideas he proposed as a candidate will give us some idea of what we can expect. Family Business

Succession Planning: Splitting Up the Pie

One of the biggest challenges facing family businesses is CEO succession. As part of the process of picking a successor, many family business owners find they need to compensate the siblings that were *not* chosen. Navigating the process can be a minefield for many members of the senior generation. Here are some considerations to take into account.
