need to take every legitimate measure to hold costs down. Eligibility audits eliminate people from a plan who are not entitled to coverage, such as an ex-spouse of a staff member. This may not be popular with employees, but for companies that are watching costs, an eligibility audit may be just what is needed to keep health insurance in place.

Benefits Administration

Spell Out Your Benefits to Improve Employee Loyalty

Employees can't value what they don't know they have. You are already investing significant time, money and effort into providing a quality package of benefits for your workers. But many don't realize what is available and how it compares to other employers. In the changing healthcare system, many employees have questions you can answer.
