Timely Opportunities

Be Careful with December Mutual Fund Transactions

Fourth-quarter mutual fund dividend distributions can have important tax implications. This year, the issue has even greater significance, because funds that caught the stock market's upswing will be making bigger-than-normal dividend distributions. This article explains what you should do, or not do, to help avoid an increase in your 2013 tax bill.

Human Resources

Nurture Understanding Between Generations for a Peaceful Workplace

Just as families experience generational differences in the home, managers and employees may also experience escalating tensions in the workplace that lead to conflict. Attitudes about work, methods of communication, tolerance for tasks that seem menial and more create impasses that can make for an explosion waiting to happen. Keep reading to learn how a little understanding from all parties may smooth the rough patches.

Measure Your Bill Collecting Success

It's a balancing act to extend credit in order to boost sales, get customers to pay on time and track your company's efforts to ensure that bad debts don't reach a point where they start to erode profit gains. Here are three tools to help prevent your company's accounts receivables from turning into a credit nightmare.
