What Tax Changes Can We Expect From President Trump?

The unexpected victory of Donald Trump in the 2016 Presidential election has experts scrambling to review his proposed changes to the federal tax laws. Accounting Today Magazine Names Gray, Gray & Gray

One of the "Best Accounting Firms to Work For" in 2016

We are pleased to announce that Gray, Gray & Gray has been named one of the "Best Accounting Firms to Work For" in 2016 by *Accounting Today* magazine. The magazine recognizes the 100 best accounting firms across the country based on responses to a comprehensive two-part employee survey. The annual

survey and "Best Accounting Firms to Work For" awards program is designed to identify, recognize and honor the best employers in the accounting profession, benefiting the economy, its workforce and businesses.

In announcing the award, Joe Ciccarello, Managing Partner of Gray, Gray & Gray, said, "This is a particularly satisfying honor for us. First, we were in competition with accounting firms from across the country. More importantly, the rankings were not determined simply on firm size or revenue, but were the result of direct feedback from our employees. Our high ranking reflects the dedication to our core values and the spirit of teamwork and cooperation that make it such a joy to come to work here every day."

Gray, Gray & Gray Helps Make the Holidays Brighter for Many Deserving Families

Gray, Gray & Gray team members continue to go above and beyond when it comes to helping those less fortunate, especially around the holidays. This year, the Gray, Gray & Gray Charitable Foundation is determined to make an even greater impact by supporting the Italian

Home for Children as well as our local Department of Children & Families. Members of the Charitable Foundation created a winter wonderland display with snowflakes listing items needed and granting team members the chance to give back this holiday season. In addition to the snowflakes, the Gray, Gray & Gray

Charitable Foundation has "adopted" two local families for the holidays through the ABCD Adopt-A-Family program.

At the conclusion of this year's holiday gift drive, Gray, Gray & Gray team members will gather for a celebration of generosity and charity. Stay tuned for photos!

It Takes More Than Numbers.

"Gray, Gray & Gray has been Coan Oil's accounting firm since 1945. We were one of their first clients and the fact that we are still with them today says a great deal about the relationship between our companies. For [over] sixty-five years they have helped keep us on track, growing and profitable. Gray, Gray & Gray not only knows our business inside and out, they understand the oilheat industry and how to make the most of our opportunities. We have always relied on Gray, Gray & Gray to keep us on top of the many changes occurring in the accounting field as well as changes in the oil industry. Our relationship with Gray, Gray & Gray has strengthened from generation to generation, from my father who worked with the original Gray brothers to my own connection with the firm today. We count on them as more than just accountants, but as someone we can trust with everything from business strategy to financial planning. It's been a great partnership."

- Kevin Coan, Coan Oil, Inc.
