There's much more to having a healthy workforce than the absence of employees who commit hostile acts or poison the well. The American Psychological Association is on a mission to arm employers with insights about what it takes to achieve a psychologically healthy workplace -- and the benefits of achieving it. Here's what the group has to say.

## Plan Ahead to Make Disability Benefits Tax-Free

Company-paid disability insurance provides protection in the event you suffer a disability or become so ill that you're unable to work. But the value of long-term disability insurance benefits can be eroded if you have to pay taxes on them. Here's an explanation of the rules, along with a strategy your company may want to implement to transform taxable disability benefits into tax-free payments for yourself and other family members.
