Employee Benefits

Meeting the ERISA Plan Audit Requirement

Certain benefit plans must include an independent audit with the annual report required under the *Employee Retirement Income Security Act* (ERISA). This helps ensure that the plan's financial statements are presented fairly. This article provides a look at the requirements and exemptions.

Benefit Tax Issues

Save Taxes While Controlling Employee Health Costs

As an employer, you are probably fed up with rising health care costs. Many employers have responded by rethinking the benefits they offer. There are ways to provide tax-advantaged health care to your employees, and at the same time, cut your overall costs. Here are three options to consider.

Retirement Plans

When Rolling Over Can Be the Wrong Strategy

Tax-free rollovers of retirement funds are often the way to go when retiring or leaving a job. But if your retirement plan contains appreciated employer stock, there is another strategy that could provide substantial tax savings. Keep reading to see why you might want to put those shares in a *taxable* account.

"We formerly had our employee benefit plan audit with one of the 'Big Four' national accounting firms, but knew that we were not getting the attention and service we needed. Making the switch to Gray, Gray & Gray was like night and day! We are getting the same degree of competence and experience, but with a much higher level of service. At much more reasonable fees, too!"
-New England Sports Network (NESN)
