Employee Benefits

Make Sure Workers and Managers Comply With HIPAA

When it comes to health issues, employee privacy is important. But the rules may seem overwhelming for employers. The *Health Insurance Portability and Accountability Act* (HIPAA) has added many new responsibilities. Do you know what's expected of your organization? If not, continue reading this article.

Retirement Plans

The Decline and Fall of the American Pension Program

Once upon a time, American industrial workers stayed on the job well into their 60s which is about when their bodies were beginning to break down under the strain. In return for a lifetime of service at one

company, though, the employers were willing to ensure that their basic income needs were taken care of as long as they lived. Read on to learn how the system has changed.

Benefits Administration

Are You Wasting Money on Some Benefits?

Many employers are wasting money on some of their benefit offerings. This was the conclusion of one study which looked at employer and employee views on benefits. In some cases, organizations are wasting money on inadequate benefits and benefits some employees don't want... while other employers aren't investing enough in what their staff members do want. What should you do about it? Keep reading to find out.
