GG&G News - Employee Benefit Plan Audits

Using Remote Workers? Protect Sensitive Company Data from Exposure

During the COVID-19 pandemic, many companies have shifted to work-from-home arrangements to protect the safety of their workers. This trend is expected to continue even after the pandemic ends. Unfortunately, the chances of intellectual property theft (or inadvertent loss) are generally greater when employees work at home. Here are some measures you can take to protect your trademarks, patents, copyrights and other forms of IP today.

"We formerly had our employee benefit plan audit with one of the 'Big Four' national accounting firms, but knew that we were not getting the attention and service we needed. Making the switch to Gray, Gray & Gray was like night and day! We are getting the same degree of competence and experience, but with a much higher level of service. At much more reasonable fees, too!"
