Family Business

Keep Family Employees in Line

Solid, successful companies have standards that every employee must meet — and that should also be true for family-run businesses. This article provides some tips on how to ensure your family members are meeting performance standards and not generating resentment from the other employees.

Business Tax

Beware of Deductions Claimed for Certain Business Expenses

Corporations that make payments to shareholders beware: The IRS may challenge deductions claimed for certain business expenses and other related-party transactions. An inquiry could lead to reclassification of certain payments as constructive dividends, which could have unfavorable tax consequences. Here are the details of one U.S. Tax Court case that highlights this issue.

Personal Tax

Maximize Social Security Benefits When You Retire

Do you want to retire before reaching your full Social Security retirement age and work part-time? If so, you need to read this article so you can start planning to preserve your Social Security benefits. We'll explain the rules involving how much you can earn and still qualify for full Social Security benefits, along with when you will reach "full retirement age" in the eyes of the federal government.
