Employee Benefits

Dependent Eligibility Audits Emerge as Cost Cutting Tool

In the face of ever-rising health insurance costs, employers who provide coverage need to take every legitimate measure to hold costs down. Eligibility audits eliminate people from a plan who are not entitled to coverage, such as an ex-spouse of a staff member. This may not be popular with employees, but for companies that are watching costs, an eligibility audit may be just what is needed to keep health insurance in place.

"We formerly had our employee benefit plan audit with one of the 'Big Four' national accounting firms, but knew that we were not getting the attention and service we needed. Making the switch to Gray, Gray & Gray was like night and day! We are getting the same degree of competence and experience, but with a much higher level of service. At much more reasonable fees, too!"
