New Webinar! The Changing World of Work

**Wednesday, December 2nd
1:30 pm - 2:30 pm ET**

The COVID-19 pandemic continues to impact organizations and individuals across the globe. With no clear end in sight, many organizations have implemented modifications to the way their teams work and continue to seek ways to plan for what

the future may hold. How has your company adapted to the changing work world to date? What plans do you have for the future adaptation? Take part in a brief survey [here](#). Then join us for the webinar where we will walk you through some of the key findings and share best practices.

For more information and to register click below.
