Family Business

Value Your Business Internally and Externally

Valuing your family business can help determine whether you should keep it, sell it or pass it on to a family member — either now or in your estate plan. There are two types of valuations that relate to a small business. Here are details on both and how they can fit into the succession plans for your family business.

Human Resources

Is it Time to Rebid Your Vendor Contracts?

Sometimes service vendor relationships can get just a little bit too cozy. Next thing you know, you're being taken for granted — and perhaps overpaying or not getting the quality of service that you should. How can you avoid that situation? By rebidding contracts on a regular basis. Here's how.

Management

Managing Remote Employees: Five Issues to Consider

These days, your business may have more employees requesting to work from home. Or, because of the COVID-19 pandemic, you may have staff members working from home out of caution or necessity. Fortunately, technology has made it easier than ever to conduct business from home. Here are five issues for employers to consider to minimize the risk and maximize the productivity of remote workers.
