Employee Benefits

Tighter Control for Purchases Made With FSA Debit Cards

Flexible spending accounts (FSAs) can provide a real boost to health care consumers. And using them is even easier when combined with debit cards that accountholders use to make health care purchases. But without a significant control system, it's also easy to subvert the purpose of an FSA. That's why certain retailers are required to use an inventory system that limits purchases to FSA-eligible goods only.

Benefit Tax Issues

Protect Your Company's Plan From an IRS Attack

If your business sponsors a retirement plan, you must invest prudently and stay in compliance with numerous complex federal requirements. If you don't follow the rules, the IRS could disqualify your plan.

Here are some steps to help keep you from falling into a costly noncompliance trap.

"We formerly had our employee benefit plan audit with one of the 'Big Four' national accounting firms, but knew that we were not getting the attention and service we needed. Making the switch to Gray, Gray & Gray was like night and day! We are getting the same degree of competence and experience, but with a much higher level of service. At much more reasonable fees, too!"
