## Gray, Gray & Gray, LLP's News

### Curry College Highlights Gray, Gray & Gray's Internship Program

Gray, Gray & Gray is committed to supporting our local community and fostering individuals' desire to pursue a career in the growing accounting and advisory field through our internship program. We've worked with several local schools including Curry College, and many interns have found their "home" with Gray, Gray & Gray over the years... a tradition that continues!

In a recent article, Curry College caught up with a few students about their experiences, from the Curry Accounting Program to their internships at firms including Gray, Gray & Gray. Also featured in the article is Gray, Gray & Gray Tax Manager, Jaclyn Linehan, who describes her positive experience working with students recruited and hired from Curry, highlighting that the firm will continue to recruit students and alumni for positions.

## Family Business

### Long-Term Care Insurance Can Be a Tax-Free Perk

**For tax purposes,** long-term care insurance grows more attractive depending on who buys the policy. There's a big difference in the tax implications of a policy purchased by you as an individual and the same policy purchased by your family business. To find out how to maximize the tax benefits before buying, continue reading.

### How to Pay Retiree Health Costs Tax-Free

**Retirement and medical** expenses aren't necessarily a good mix for you or your retired employees if the company's pension plan pays defined benefits. Health care costs can take a chunk out of the plan's payments without offering any offsetting tax benefits. A 401(h) plan, however, could be the answer. Continue reading.

## Personal Tax

### Plan Now to Reduce AMT Exposure

**Unfortunately,** the individual alternative minimum tax (AMT) is still in place after the passage of the latest tax reform law. However, current law makes the AMT rules more taxpayer-friendly and reduces the odds that you will be hit with the complex tax. This article explains who still owes the AMT and how you can still benefit by making moves to avoid or minimize it.
