Gray, Gray & Gray, LLP's News

Gray, Gray & Gray's Cybersecurity Primer

One can hardly avoid seeing a headline about another data breach, ransomware attack, phishing scam, or other illicit incident executed through the electronic web that connects us all. The convenience and efficiency of the internet and world wide web come with a steep price for those who are unprepared.

Click [here](#) to learn more about the landscape we are facing when it comes to protecting the information that cyber thieves are desperate to obtain.

Have questions? Contact Nathaniel Gravel, cybersecurity expert and consultant with Gray, Gray & Gray, at ngravel@gggllp.com.

Family Business

Consistency Is Key When It Comes to Family Business Compensation

Salaries, wages and bonuses ... oh my! These are sensitive issues at any kind of company. For family businesses, however, pay disparities — whether real or perceived — can become downright personal. This article explains how to stay on the yellow brick road to success by recognizing the common areas of compensation danger.

Human Resources

Employees: A Wealth of Untapped Knowledge

They say two heads are better than one. Now think about the number of people on your payroll. Every single one of them likely has opinions and ideas about what could help the company run more smoothly and profitably. All you have to do is ask. This article explains how companies can incentivize employees to contribute solutions and why it's so important to get them involved.

Our firm provides the information in this e-newsletter for general guidance only, and does not constitute the provision of legal advice, tax advice, accounting services, investment advice, or professional consulting of any kind. The information provided herein should not be used as a substitute for consultation with professional tax, accounting, legal, or other competent advisers. Before making any decision or taking any action, you should consult a professional adviser who has been provided with all pertinent facts relevant to your particular situation. Tax articles in this e-newsletter are not intended to be used, and cannot be used by any taxpayer, for the purpose of avoiding accuracy-related penalties that may be imposed on the taxpayer. The information is provided "as is," with no assurance or guarantee of completeness, accuracy, or timeliness of the information, and without warranty of any kind, express or implied, including but not limited to warranties of performance, merchantability, and fitness for a particular purpose.

The information contained in this communication (including any attachments and/or re-directs to other online sources) is not intended or written to be used, and cannot be used, for the purpose of avoiding penalties under the Internal Revenue Code.

Webinar content is intended for educational purposes only. Webinars provide a brief summary based on our understanding and interpretation of current law. All tax references are to federal tax law only, unless otherwise stated. The information contained in the webinars is general in nature and is based on authorities that are subject to change. It is not, and should not be construed as accounting, legal or tax advice or opinion provided by Gray, Gray & Gray, LLP. The material presented may not be applicable to, or suitable for, specific circumstances or needs, and may require consideration of non-tax factors and tax factors not described herein. Contact Gray, Gray & Gray or another tax professional prior to taking any action based upon this information. Changes in tax laws or other factors could affect, on a prospective or retroactive basis the information contained herein; Gray, Gray & Gray assumes no obligation to inform the reader/webinar attendee of any such changes. The material presented is not intended to, and cannot be used to, avoid IRS penalties. This material supports the marketing and promotion of accounting services. Seek advice based on your particular circumstances from independent tax, legal accounting, insurance, investment, and financial advisors.
