Gray, Gray & Gray, LLP's News

Upcoming Webinar! Gray, Gray & Gray Presents: One Accounting Program to Rule Them All

You need a single, unified platform that allows you to better manage all aspects of your accounting function. Sage Intacct gives you more power, more access, more accuracy, more scalability, and more direct control over essential data and information. **Join us for a free, information-only webinar on June 22 from 11:00 - 12:00 EDT** as Director of Gray, Gray & Gray's Sage Intacct & Advisory Practice, [Bill Constantopoulos](#), helps you discover how this more complete accounting platform can solve the issues you have now and problems you may face as your organization grows and expands. In addition, Bill will conduct an in-depth Q&A to address specific issues and concerns related to your business needs.

Family Business

Keep Family Employees in Line

"**They get away** with anything because they're family!" Grumbings like this by non-family employees about family-member colleagues are all too common at family businesses. This article provides some tips on how to ensure your family members are meeting performance standards and not generating resentment among other employees.

Management

Sniff Out Stinkin' Thinkin' and Take Action

Stinkin' Thinkin' can plague a company and create unnecessary problems. It often arises during difficult economic times, such as those triggered by the COVID-19 crisis. If you catch a whiff of it at your business, act immediately! Here's how one absentee owner came to grips with a discontented manager and turned the company around in just a few days.

Operations

Disclaim Responsibility in Contracts

Disclaimers and "hold harmless" provisions in your company's contracts can provide legal protection should something go wrong with your products or services. One accentuates the negative and the other the positive. Each may help keep you out of court. Here are some considerations on what to include in these two barriers to help avoid legal actions.
