

March 2021 Issue

Have You Registered for our Upcoming Webinar? Everything You Need to Know About Employee Retention Tax Credits

Tuesday, March 23rd
1:00 pm - 2:00 pm ET

Would a tax credit of up to \$14,000 per employee help your bottom line in 2021? What if you could go back to 2020 and recover an additional \$5,000 tax credit for each employee? That may be possible for companies that are eligible for an Employee Retention Tax Credit (ERTC).

Gray, Gray & Gray will be hosting a free webinar to help businesses explore reasons why you may want to apply for and manage ERTC, including balancing ERTC with PPP loans. Join Gray, Gray & Gray Leaders [Jim DeLeo](#), [Kelly Berardi](#), [Brad Carlson](#) and [Derek Rawls](#) as they answer your questions about the ERTC program.

Gray, Gray & Gray's 30th Annual Energy Industry Survey

At Gray, Gray & Gray, we are committed to bringing you key information for your success. For three decades, your participation in our Energy Industry survey has allowed us to provide a "snapshot" of the retail oil and propane industry, helping to establish industry benchmarks and the standards by which company performance is measured.

Please watch your inbox for this year's survey coming soon!

Oil & Energy Magazine features "The Case for Strategic M&A Transactions" article

By Gray, Gray & Gray's Marty Kirshner & Joe Ciccarello

Plan for accelerated growth and added value

Successful fuel oil and propane business owners understand that there are options to accelerate growth through the use of strategic merger, acquisition and alliance transactions – collectively known as M&A. Growth can come from internal sources that the business already has (“organic” growth), or from the implementation of strategic transactions. Such transactions can be used to add value to your energy business.

Announcing Acquisition of Taylor & Murphy Oil

∴FuelExchange³_{TM}

FuelExchange is a service created by Gray, Gray & Gray to provide a clearinghouse for companies interested in buying, selling or merging fuel oil, propane, or petroleum businesses. FuelExchange helps facilitate transactions within the energy industry as a "one stop" source for business valuation, marketing and negotiation of sales, purchases and mergers.
