Audit Your Retirement Plan Before the Feds Do

Many companies are unaware their retirement plans have problems until they are audited by the IRS or investigated by the Department of Labor. However, by self-auditing your plan, you can identify and correct any problems *before* the federal government initiates an investigation. Continue reading for six areas which can get your company in trouble. [Full Article](#)

Employees, Sponsors Sailing Toward Safe Harbor 401(k) Plans

Who doesn't need a safe harbor when navigation gets tough? For employers, a safe harbor 401(k) plan can be a beacon in what feels like a sea of red tape. To learn more, keep reading. [Full Article](#)

"We formerly had our employee benefit plan audit with one of the 'Big Four' national accounting firms, but knew that we were not getting the attention and service we needed. Making the switch to Gray, Gray & Gray was like night and day! We are getting the same degree of competence and experience, but with a much higher level of service. At much more reasonable fees, too!"
