# PPP Forgiveness Window Open

Small businesses that have a Paycheck Protection Program (PPP) loan of \$150,000 or less can begin applying for forgiveness of the debt as of August 4, 2021. On this date, the Small Business Administration (SBA) launched an online portal that allows smaller PPP borrowers to submit the application for loan forgiveness directly to the SBA, instead of through their lender. The goal is to streamline the forgiveness process. The SBA estimates there are over 6.5 million businesses in the U.S. that could qualify for the streamlined forgiveness process.

If you have additional questions about the PPP loan program, the forgiveness process, or need assistance with cash flow management going forward, please contact Gray, Gray & Gray at (781) 407-0300.
