Oil & Energy Magazine features "Why Your Accounting Software May Be Holding You Back" article by Marty Kirshner & Joe Ciccarello

Your financial management programs need to evolve with your business

The demands of the energy market are relentless and continue to expand and accelerate. If you can't react fast enough to changes and customer needs, your ability to compete will be stifled. One thing that may be holding you back is entry-level accounting software that simply can't keep up with your company's growth.
