Family Business

Keep Family Employees in Line

"They get away with anything because they're family!" Grumblings like this by non-family employees about family-member colleagues are all too common at family businesses. This article provides some tips on how to ensure your family members are meeting performance standards and not generating resentment among other employees.

Protecting Your Company Against Liability from Confidential Data Leaks

As organizations grow in the digital age, their reliance on technology can be both an advantage and a disadvantage. The liability from the improper release of sensitive data is a huge potential problem for

businesses. The more sensitive the information a company gathers, the more detrimental to the organization a data breach is, should it occur.
