

THE POWER OF MORE

NEWS & UPDATES

Welcome to Gray Gray & Gray's Sage Intacct newsletter where we provide helpful insights and information on the many great benefits of the Sage Intacct solution, and ways you can realize their usefulness.

Client Speaks

Check out what Kevin Rorke, Director of Business Services at Big West Conference, has to say about Sage Intacct and the implementation process experience with Gray, Gray & Gray. Thank you to Kevin for trusting us with this important initiative!

If you'd like to learn more about how Gray, Gray & Gray's Sage Intacct team can assist you, please contact Kerri Spencer at kspencer@ggglp.com.

Webinar Recording Available Now

Cybersecurity Threats on the Rise: What Every Organization Needs to Know and Do to Mitigate Risk

In case you missed this important webinar or would like a refresher on the information shared, you can now access the recording online. During this webinar, Gray, Gray & Gray's Hank Wolfson and cybersecurity expert Nathaniel Gravel provided a vital look at the cyber threats aimed at businesses, the most important actions to take to protect yourself, and an understanding of how current global affairs have spiked the risk of cyberattack for American companies.

Team Member Spotlight: Paul Gerry, CPA

Paul Gerry is the partner-in-charge of Gray, Gray & Gray's Client Accounting & Advisory Services (CAAS) practice group and Sage Intacct implementation team. He and his team work with businesses of all sizes, from start-ups and emerging growth companies, to established enterprises seeking to streamline internal operations. By providing targeted accounting and advisory services, with a focus on the power of web based, real time financial management software, Paul helps to improve the performance of our clients' companies.

Paul has the ability to utilize the latest advances in financial software to efficiently organize financial operations while offering a comprehensive range of services from A/P and A/R to controllership and virtual CFO services.

Paul provides practical guidance for closely held businesses and individuals, combining strong accounting, tax and financial planning skills with a pragmatic approach to solving problems. He communicates complicated financial matters in a way that instills confidence, leading clients to view Paul as their trusted advisor on financial and tax matters.
