

THE POWER OF MORE

NEWS & UPDATES

Welcome to Gray Gray & Gray's Sage Intacct newsletter where we provide helpful insights and information on the many great benefits of the Sage Intacct solution, and ways you can realize their usefulness.

October is Cybersecurity Awareness Month

At Gray, Gray & Gray, our [cybersecurity experts](#) give you the power to protect your vital information. During Cybersecurity Awareness Month and throughout the year, make sure you are prepared to respond to the lurking threats that could play havoc with your business.

With an estimated 2,200 cyberattacks taking place each day – one every 39 seconds – the task of creating and deploying a defensive strategy for your business can be intimidating. Still, the threat is too great to ignore, not to mention the fact that most states have strict data security laws that must be followed. But where do you start? What are the first steps you should take to begin layering protective measures around your network and data? **Read the full article and get answers to these questions and more.**
